

Your photo on your TASMAP!

LandTasmania

You decide what your maps look like!

TASMAP is calling on keen map users and photographers to **submit cover photos** for the upcoming **South Coast Walks Map & Notes**.

The rules are simple; it needs to be an interesting photo representing an area covered by the relevant map.

Entries will be judged by a panel, with the winning photo used for the front covers of the upcoming maps. The winning photographer will be acknowledged on the back cover:

They will also receive a complete National Parks Map Set, valued at \$76. This set includes all 8 National Park maps produced by TASMAP including Cradle Mountain - Lake St Clair, Douglas-Apsley, Hartz Mountains, Maria Island, Mount Field, Tasman, Freycinet and Walls of Jerusalem.

Entries close on 1 June 2016.

A few tips to remember:

- Photos should represent the look and feel of the area.
- Size must be at least 95mm high, 115mm wide at 300 dpi
- Refrain from making people or pets as the focus.
- Make the photo interesting and evocative; make people want to go there!

Entries can be submitted through the TASMAP eShop at the following link:
