They will also receive a complete National Parks Map Set, valued at \$71. This set includes all 8 National Park maps produced by TASMAP including Cradle Mountain - Lake St Clair, Douglas-Apsley, Hartz Mountains, Maria Island, Mount Field, Peninsula Walks, Freycinet and Walls of Jerusalem.

Entries close on 8 January 2018.

A few tips to remember:

- Photos should represent the look and feel of the area.
- Size must be at least 95mm high, 115mm wide at 300 dpi
- Refrain from making people or pets as the focus.
- Make the photo interesting and evocative; make people want to go there!
